Note to customer

Thank you for considering The VanLife Collective for your upcoming project. We've prepared an estimate that outlines the scope of work, labor, and products involved. If you have any questions or require further clarification or adjustments, please don't hesitate to reach out to us.

To proceed with the project, please follow these steps:

1. Return a signed copy of this estimate to info@thevanlifecollective.com
2. We will send you an invoice for deposit of 50% of the cost of the project.
(For larger custom projects with separate materials and time, we ask for 100% of materials and 50% of projected labor)
3. Upon payment of the deposit, we will schedule your project with consideration to your availability and our lead times.

We are excited about the prospect of working with you and are flexible to accommodate your schedule as needed.

Best regards,
The VanLife Collective Team
